BHW conveyancing

Why recommend BHW Conveyancing to your clients?

BHW Conveyancing combines the expertise and **efficiencies of a large conveyancing practice with the personal service of a dedicated local team**.

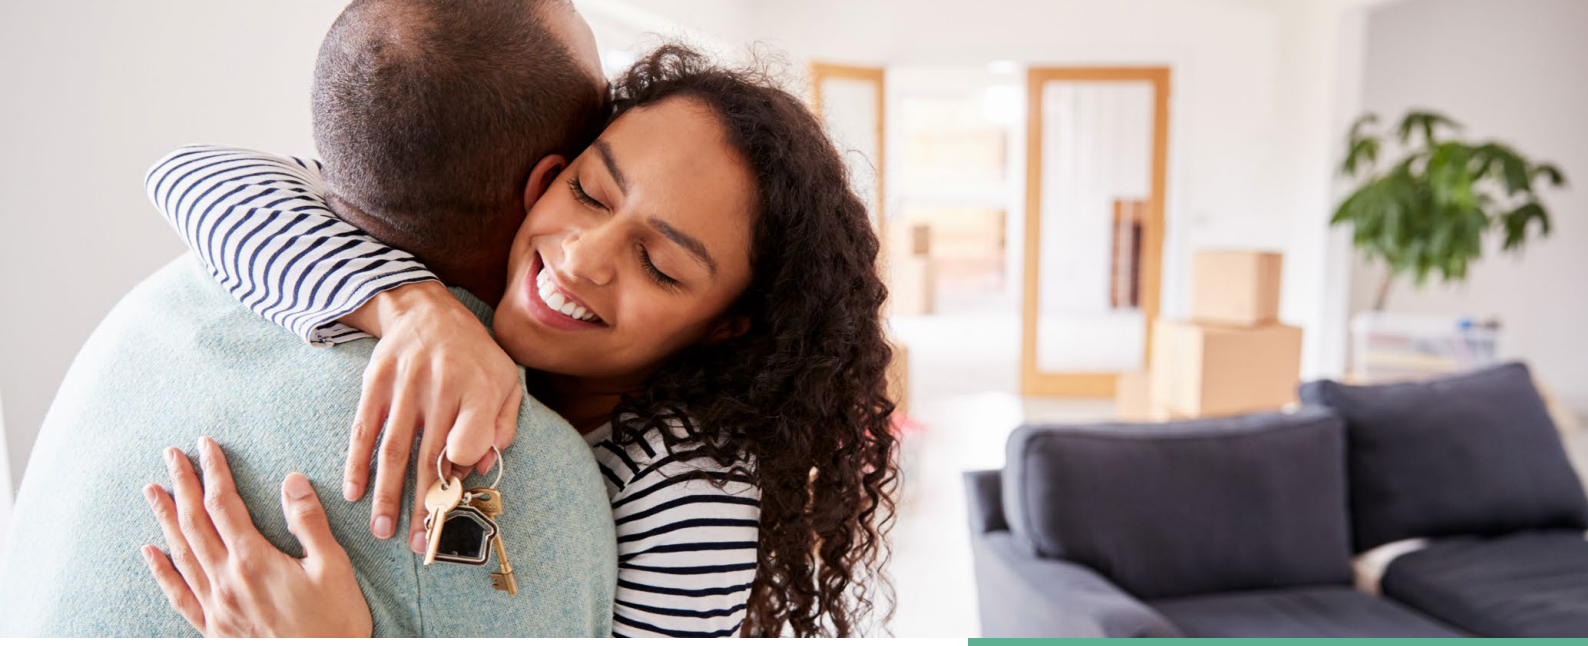

Our experienced teams handle a wide range of residential property transactions, with established processes designed to keep matters progressing smoothly and clients informed throughout.

We hold the **Conveyancing Quality Scheme (CQS)** and **Lexcel** quality marks and are able to act for all major UK lenders, giving you confidence that your clients are being referred to an experienced and trusted conveyancing firm.

Benefits for your clients

- **A quicker, proactive service**
  Our Service Level Agreement sets clear timescales for progressing each stage of a transaction, helping to keep matters moving and identify delays quickly.
- **A dedicated team**
  Each client is looked after by a designated team of three conveyancing specialists, so there is always someone available who knows their transaction.
- **Regular communication**
  Clients can track their transaction online and receive automatic SMS and email updates as important milestones are reached.
- **Proven client satisfaction**
  More than 90% of our clients say they would use BHW again and recommend us to others.
- **Quality you can recommend with confidence**
  BHW combines recognised quality standards with extensive conveyancing experience, helping to ensure your clients receive a consistently high level of service.
- **Clear, fixed fees**
  Transparent pricing provides clarity from the outset, with no hidden charges.

A referral partnership that works for you

A successful referral relationship should benefit your business as well as your clients. We work closely with our referral partners to provide a responsive, commercially focused service that supports the whole property transaction.

As a BHW Conveyancing referral partner, you can benefit from:

- **A dedicated conveyancing team** supporting your referred clients.
- **Referral incentives** for your business.
- **A specialist First Contact team** focused on converting referrals into instructions.
- **Proactive pipeline management**, with key milestones monitored against our Service Level Agreement so potential delays can be identified and addressed quickly.
- **Robust risk management and supervision procedures**, designed to maintain consistently high standards throughout every transaction.
- **Business development and training support** for you and your team.
- **Tailored reporting** covering referral conversion and matter progression.
- **Prompt payment of agreed referral fees** by BACS following completion.

A partnership built around service

Our aim is not simply to receive referrals. We want to build long-term relationships with our partners, providing a conveyancing service that reflects positively on your business and gives your clients confidence from instruction through to completion.

If you would like to explore how a referral partnership with BHW Conveyancing could work for your business, we would be pleased to arrange an informal meeting to discuss things further.
